How God Works

A grandmother was taking her young grandson for a walk in the park. The daffodils were in bloom, and it was a beautiful Spring day. Wanting to encourage her grandson's spiritual understanding of the world, she said: "Doesn't it look like an artist painted this scenery? Did you know God did all this?" Her grandson replied: "Oh yes, and God did it left handed, too." In astonishment, the grandmother asked what he meant. "Well, he must have done," said her grandson, "because we learned at Sunday School last week that Jesus sits on God's right hand."

Connections Magazine

Thanks to everyone who kindly gave me their reactions to my first effort at editing the Connections Magazine. Without exception they were all positive. I welcome all criticism whether positive or not, but I have a strong preference for it being constructive! Remember it's your Magazine not mine; I'm just minding it for you. On that note.....

<p>Page 26</p>	<p>This page is waiting for your items - stories - recipes - news - bible thoughts - prayers - coming events - Whatever - It's YOUR page</p>

Always keep your words soft and sweet, just in case you have to eat them. Drive carefully. It's not only cars that can be recalled by their maker.
